**ICYMI: Tammy Baldwin Responds to Eric Hovde's Campaign Launch on MSNBC's The Last Word with Lawrence O'Donnell**

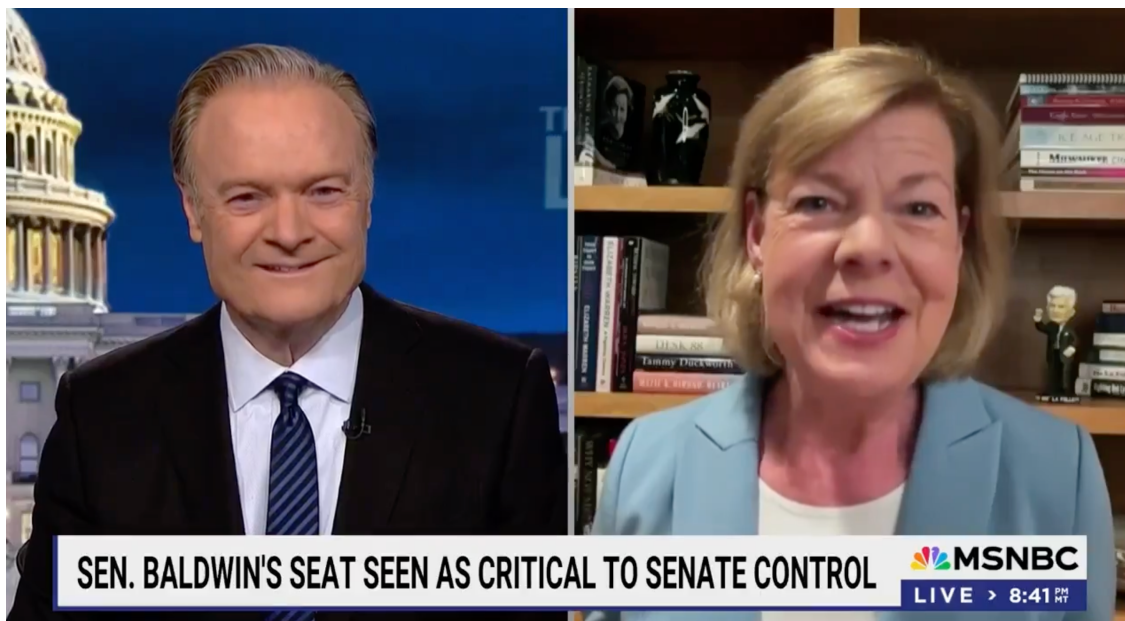

**MADISON, Wis.** — In case you missed it, last night Tammy Baldwin responded to megamillionaire California bank owner Eric Hovde's entrance into the U.S. Senate race on MSNBC's The Last Word with Lawrence O'Donnell.

**On Eric Hovde's U.S. Senate campaign:**

- "Mitch McConnell must be thrilled that his top recruit said yes. But let's face it Eric Hovde owns a **\$2.8 billion bank, has a \$7 million California Laguna Beach mansion, and was named "Most Influential Person in Orange County" three years in a row.**
- **We don't have an Orange County in Wisconsin. We don't grow oranges here. He is definitely a Californian.**
- But not only did Mitch McConnell get a great recruit, for their perspective, but he also has **somebody that's going to toe the McConnell agenda.**

- Eric Hovde **supports a national abortion ban**. He **supports cutting Social Security**. And he also **wants to overturn or repeal the Affordable Care Act**.
- He is going to self-fund. He says **he's going to put \$20 million of his own money into this race**. I cannot self-fund. So anyone watching who wants to help us fight back, go to [TammyBaldwin.com](https://www.tammymbaldwin.com)."
